According to the **Terms Support and Maintenance** in the [Nexus Terms & Conditions](#) page:  
 "For a period of 12 months after making available the current Major or Minor Release, the previous most recent Major or Minor Release will be supported too."

For the definitions of **End of Sales (EOS)** and **End of Life (EOL)**, see **Product lifecycle policy** in the [Support](#) page.

If you have acquired Personal Desktop Client from a third party vendor in a packaged solution, then contact your vendor directly for any support question. If you don't know who your third party vendor is, then please don't hesitate to contact Nexus sales representative or your business contact.
