

Activate ID06 card with passport or national ID

- [Activate card with BankID](#)
- Activate card with passport or national ID

This article is for you who DO NOT have Swedish BankID. Once you have received your ID06 card, you as a cardholder must activate it before it can be used.

- If you do have Swedish BankID, instead follow the instructions in [Activate ID06 card with Swedish BankID](#).

Do the following:

1. Sign in to your ID06 account:
 - a. Go to <https://cards.id06.se/#/confirm-order>.
 - b. Click Sign in after Manual ID verification.
 - c. Fill in your e-mail address and password. Click Sign in. You will receive a verification code sent to you by SMS to the phone number you have registered.
 - d. Enter the SMS verification code and click Verify.
2. Activate and accept your card according to the instructions.
 - a. Click on PIN code and your PIN will appear. You shall use the PIN together with your ID06 card, so be sure to note your PIN code securely.
3. The ID06 card is now ready for use.

If you did not note your PIN, you can log in again to your personal ID06 account to see the PIN.
